In the early hours of a New Orleans morning (Dec. 2003), the Cajun Bajan Café was born over some good food and wine...the name and concept recorded on a cocktail napkin. With the help and encouragement of family and friends it all came together on Halloween 2005.

Our mission is simple...

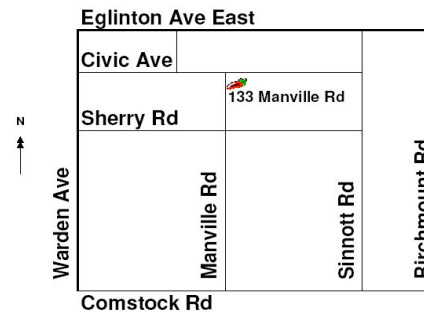

To deliver fresh, consistently good food in a relaxing and clean environment every day.

Each meal is cooked to order, so when we're busy it's worth the wait.

And no, we do not have a microwave.

Come in, relax and enjoy.
